Revenue Modernization - A More Efficient Way to Conduct Business

You've heard about CBP's Trade Transformation, now hear about CBP's plans for Revenue Modernization that impacts how duties are bonded, collected, and refunded with plans for a paperless environment. Lisa Gelsomino from Avalon will discuss the impact eBond has on continuous bond sufficiency, periodic monthly statement, duty refunds to importers, and other best practices to avoid sanctions and other disruptions in the release of cargo. Lastly, learn how Revenue Modernization and eBond will help facilitate trade.

New ISF Enforcement Policy - What Has Changed?

CBP has issued guidance on its new ISF Enforcement Policy. Don't miss this opportunity to hear about the latest ISF updates directly from CBP. Anne Maricich, Assistant Director-Trade for the Port of LA/Long Beach, will discuss how the guidance from CBP-HQ will be implemented at the local port level. Dan Meylor, Vice Chair of the NCBFAA Customs Committee, will discuss the impact guidance from CBP-HQ is having nationwide. Lisa Gelsomino from Avalon will discuss how the new ISF enforcement policy will impact the issuance of liquidated damage claims against ISF importers as well as best practices for mitigating and petitioning ISF claims. You will also have an opportunity to ask our expert panel all your ISF-related questions.
