ITAR Background & How CBP Processes ITAR Imports and Exports

February 19, 2013

Procedures for licensed imports and exports and hand carries. ITAR detentions and seizure process. Resolving differences and processing seizure cases. Speakers from industry include: Customs Attorney, Customs Broker, Defense Importer and CBP Exodus.

Imports and exports of defense articles are subject to complex and difficult procedures and are definitely considered high risk transactions. To make things more interesting ITAR will be undergoing major changes in the near future. This seminar will feature information from industry and US Customs & Border Protection on:

- ▶ ITAR import and export procedures
- ▶ Best practices
- ▶ How to avoid difficulties
- ▶ How to deal with detention and seizure of ITAR shipments
- ▶ A preview of changes expected due to the Export Control Reform Initiative
