Keynote Speaker:

**Lyndon Faulkner
President and CEO
Pelican™ Products, Inc.**

As President and CEO, Lyndon Faulkner brings more than 25 years of visionary experience to his role and is leading Pelican Products, Inc., through its next era of dynamic growth. Since Faulkner joined Pelican in 2006, the company has realized a sales increase of 400% by following an aggressive strategy highlighted with acquisitions and international expansion. New sales offices and manufacturing facilities across the globe

have been formed including the acquisition of key Australian distributor and the launch of the Advanced Area Lighting Group.

Pelican Products' Growth from a Small Garage to Global Success

Pelican Products, Inc. today is the global leader in design and manufacture of both high-performance case solutions and advanced portable lighting systems used by firefighters, police, defense/military, aerospace, entertainment, industrial, and consumer. In 2004 the company, headquartered in Torrance, CA, was acquired by private equity firm Behrman Capital. Shortly thereafter, Pelican Products experienced an incredible growth trend under new CEO Lyndon Faulkner. After several years of ramping up the organization, 2008 was a banner year that saw Pelican Products execute an aggressive growth strategy highlighted with international expansion and acquisitions. Pelican's international expansion has continued with the opening of sales offices in South Korea, India, Turkey, Saudi Arabia, and South Africa

CEO Lyndon Faulkner will share how the company has achieved successes and managed the challenges that makes Pelican Products the global leader it is today.
