The United States-Mexico-Canada Agreement (USMCA) will be replacing NAFTA no later than the end of 2020. The USMCA will make many changes to the export, import, documentation, record-keeping, rule of origin and enforcement provisions of NAFTA. For most companies this is not what they are accustomed to but a new set of rules.

The 60-minute webinar will cover some of the major provisions of USMCA and how they are different from NAFTA. Doing business with Canada and Mexico?
