

Today's Format 4-Person Scramble

Welcome to the 45th Annual Fall Golf Tournament hosted by the Foreign Trade Association and the Los Angeles Customs Brokers and Freight Forwarders Association. With proceeds benefitting the FTA Scholarship Fund and the Cecilia Castellanos Memorial Scholarship Fund. Today's format will be a four-person scramble.

Men will tee off from the middle white tees, women from the forward red tees. After each player has teed off, the team will then choose the best ball, and all players will play from that spot. The team will continue in this format until one player has holed out. You must play your shot in similar conditions to which it lies.

For example, if your ball lies in the rough it must be played from the rough, if your ball lies in the fairway it must be played from the fairway, if your ball lies in a bunker, it must be played from the bunker.

You may rake the bunker between shots.
